PERSONAL PROJECTS

Jewel Zone

- **(HTML, CSS, Tailwind , React, Express.js , MongoDB)**
- Developed a full-stack web application using React, MongoDB, Express.js, and Tailwind CSS.
- Implemented responsive UI/UX design for improved user experience.
- Gained hands-on experience in modern web development practices and tools.

Hospital Website (ongoing)

- Designed and developed a full-stack hospital website using React, MongoDB, Express.js, and Tailwind CSS.
- Created intuitive user interfaces and responsive designs for improved patient and staff interactions.
- Implemented backend APIs for seamless data management and real-time updates.

Razorpay Clone

- **(HTML, CSS, Tailwind)**
- **Developed a Razorpay Clone Website**: Built a visually appealing and user-friendly clone of the Razorpay website using HTML, CSS, and JavaScript, showcasing a keen eye for design and attention to detail.
- **Implemented Responsive Design**: Ensured the website was fully responsive, providing an optimal viewing experience across various devices, including desktops, tablets, and smartphones.
- **Replicated Core UI Components**: Successfully recreated key user interface components such as navigation bars, payment forms, and transaction summaries, demonstrating strong frontend development skills and attention to user experience.

ACHIEVEMENTS

GHC Scholar 2023

One of the few female candidates selected to participate in an international conference

IPU LEET AIR - 14

Student Placement Coordinator - TPO MSIT

effectively coordinating and bridging the gap between the college and companies, with a focus on facilitating on-campus placement drives .

President - MSC MSIT

Led organizational activities, coordinated events, and managed a team, fostering student engagement and collaboration. Planned and executed successful fests, workshops, and hackathons, significantly boosting participation and campus culture.

Village Head- UBA MSIT

Led community development initiatives, coordinated projects, and managed teams, fostering local engagement and sustainable development. Planned and executed impactful projects such as cleanliness drives, pad donations, and plantation drives, significantly improving community well-being.
